

Dear Store Manager,

Your store is where I prefer to do my grocery shopping but I haven't been able to find Pajeda's, my favorite brand of snacks.

The Pajeda's snack line has all my favorite flavors, including White and Yellow Corn Tortilla Chips, Nacho and Ranch Tortilla Chips, Crunchy Cheese Snacks, Puffed Cheese Snacks, Corn Chips, Party Mix and Onion Rings. Not only do Pajeda's taste great, but they cost less money than the big brand and I know everyone likes saving money.

Will you or your buyer please contact Axiom Foods and request adding Pajeda's to your line-up of snacks? I sure would appreciate it.
